You can bring your products either one hour before we open or at the closing time when you have one hour to place your products. You can buy rent alarms to put on your products. Hard alarms cost 20 cmt per one alarm and sticker alarms cost 10 cmt per one alarm.

### **Cleanliness of your sales table**

The cleanliness of your sales table is at the table renters own responsibility.

A tidy sales table will surely have more sales than an overcrowded one.

Please, don't put any of your sales items on the floor or at the corridors because they are on the way while cleaning and are a safety hazard.

### **Shared showcases**

You can also use shared sales departments and showcases to sell your items. Every table rent includes a free showcase place for about 3 – 5 items per sales table. ### **Continuation of your table rent**

You can continue your sales table rent if you inform it to the owner before three o'clock atleast two days before your renting time ends. (Look the end day from your lease contract.)
